## DETAILED ACTION

### *Claim Rejections - 35 USC § 102*

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claim 10-13, 21-24 rejected under 35 U.S.C. 102(b) as being anticipated by Cherry.

Regarding claims 10, 11, and 24, Cherry discloses a capacitive keyboard with features of the claimed invention including a top movable, a bottom fixed plate and a helical spring between them. The plates related to the electrodes of a capacitive sensor. Upon the application of a force, the compression of the spring associated with the change of the capacitance of the sensor (see figure 2).

Regarding claims 12-13, the spring is formed in a conical shape.

Regarding claims 21-23, the spring has a large base and is perforated in the center.

3. Claims 14-20 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

*Response to Amendment*

4. Applicant's amendment and arguments filed 10/28/05 have been fully considered but they are moot in view of the new ground of rejection.

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, THIS ACTION IS MADE FINAL. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for response to this final action is set to expire THREE MONTHS from the date of this action. In the event a first response is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event will the statutory period for response expire later than SIX MONTHS from the date of this final action.
